

## Hungry Hearts Impact

Thanks to the support of our Hungry Hearts “community”, donors, attendees and sponsors, Our Place has been able to continue meeting the needs of Greater Victoria’s most vulnerable citizens. 2018 is our 5<sup>th</sup> Hungry Hearts event and in those 5 years we have surpassed raising \$500,000! **That’s half a million dollars YOU helped raised towards hope, help and belonging.** We couldn’t do this **without you**, our Hungry Heart community!

### Highlights on how far we’ve come in 5 years

#### **In 2014 Our Place:**

Was open 5 days a week  
Operated for 55 hours a week  
Offered 16 programs  
Served approximately 35,000 meals per month

#### **Now in 2018, Our Place:**

Is open 7 days a week  
Operates 92 hours a week in winter  
Offers up to 70 programs including *Next Steps to Employment*  
Now serves as many as 57,000 meals a month – a 61% increase!

We’ve come a long way since our inaugural Hungry Hearts in 2014 and it was all made possible because of donors like you. On behalf of Our Place Society and the Hungry Hearts organizing committee, thank you for your compassion and generous support!
