

How can YOU help FROM HOME?

In response to the province's emergency COVID-19 mandate, our Place is redefining how we are supporting the community's hungry and hurting in this time of health crisis.

The need has never been greater. Our Place is still serving meals (1,400 per day); bottled water (1,200 per day); paramedic services; handing out blankets, tents & hygiene supplies; providing access to washrooms; running three shelters; and conducting constant wellness checks.

Financial donations provide core facilities costs and also ensure staff are filling roles before well served by volunteers who have been asked to stay safe at home. Sponsored meals and other sources of revenue are reduced during market volatility, but core costs remain. You can make a difference!

Here's what your money can buy:

\$50+ helps buy a tent

\$75 a heavy duty adult sleeping bag

\$75 care kits for outreach workers (gloves, sanitizing kits)

\$1920 bottled water for a day's distribution

\$4116 for the ingredients to make a day's serving of 1400 meals.

Please go to www.ourplacesociety.com to make your donation
or call 250-940-5060

If you are a business, supplier or community group with access to bulk items, there are some products that we are in need of...., please contact us to discuss and arrange a pick up at 250-388-7112.
