for Homelessness. Coldest Night of the Year is a family-friendly walk that raises awareness and raises money for charities serving hungry, homeless, and hurting people in our community. The website to register is: https://cnoy.org/location/victoria/Pandora . Please note, for the first

year, we will also be hosting a walk in the Westshore in association with Pacific Centre Family Services Association. Details to follow.

Your sponsorship allows us to:

- Nourish body and soul with food for all who need it, provided in a welcoming and dignified manner
- Foster healing through counselling, mental health assistance and connections to other help.
- Provide safe shelter and support to vulnerable people in our community
- Help people find pathways to employment and permanent housing

On Victoria's coldest nights, Our Place Society works tirelessly to get as many people indoors as possible for warmth and food and showers, but, unfortunately, there are still people left outside. This walk allows the community to come together and show how much they care about the most vulnerable members of society. Help us provide a sense of hope, love and belonging to our neighbours in need.
