Thank you so incredibly much for helping welcome Our Place family members to their new home!!

Got your kit ready in several large bins or wheeled luggage? Now for the fun part...

1. Please write a message of hope and best wishes from your group in a card for the person moving in, and tape it on the container. Imagine how special this surprise will be! And please do enclose the kit checklist in one of the bins as well 😊
2. Please ensure that **Julia** at Our Place Society ([juliad@ourplacesociety.com](mailto:juliad@ourplacesociety.com)) has the names, emails/numbers and preferred addresses of at least two people in your group so that we can follow up after the bins are delivered.
3. Please take a photo of your items and as many in your group as you wish, then send to Julia. If you would like to have people in a photo; they will need to sign photo release forms. We'd love to promote your efforts and offer social media recognition to over 7,000 Our Place followers on our Facebook and other platforms to show what caring hands can create! Your efforts will bring about warm hearts in those receiving your thoughtfully collected wares.

### Frequently Asked Questions

1. May we add additional items? Please stick to the list. Try to use small items so that our volunteer is easily able to transport the kits.
2. What if we do not have everything on the list? Please try to collect 90% of the items; they will be greatly appreciated. Please communicate with Julia re: missing items
3. Does everything need to be new? Not at all; gently used items will be perfect!
4. Do you issue tax receipts? Yes, if you provide Receipts of new items totalling \$20 or more. Please email Julia the donor's full name, address and phone number/email with the receipt.
