

TENTH ANNIVERSARY
September 21, 2024

The Cause

At Our Place we offer a continuum of care. Our comprehensive services encompass job skills training, education, healthcare provisions, hot showers, compassionate outreach care and counseling, as well as the provision of warm, nutritious meals, and shelter. **Your contributions to Our Place are transformative, offering a beacon of hope and a sense of belonging to our neighbors facing hardship.**

Over the past 9 years, this event has been instrumental in sustaining these critical services. However, Our Place is now poised to take a significant stride forward with the New Roads Therapeutic Recovery Community (TRC), introducing a dedicated Women's Recovery Program offering 20 beds. **This groundbreaking initiative will be the sole long-term recovery program for women on the island, representing a crucial addition to our continuum of care aimed at breaking the cycle of addiction among women on Vancouver Island.**

All proceeds raised at Hungry Hearts will directly bolster Our Place's Therapeutic Recovery Community, enabling us to address the urgent needs of the most vulnerable individuals in society - women in addiction.
