

Our Place Society Legacy Charter

The decision to include a gift to Our Place Society in your will is personal and important. We are honoured that you are considering this and assure you that we are committed to the highest level of confidentiality and stewardship.

Your legacy gift to Our Place Society will help the community's most marginalized, and reinforce the importance of compassion to future generations.

We commit:

We will always respect your privacy. We recognize and appreciate that your will is completely personal to you. We will respect your confidentiality in any and all discussions.

We understand that your family and other loved ones will always come first.

We will use your gift carefully and cost-effectively to provide the greatest possible benefit to those we serve.

We recognize that at any time in the future you have the absolute right to change your mind about a gift in your will to Our Place Society, and it is your choice whether or not to let us know.

We will handle whatever gift you leave us with care, sensitivity, and respect.

You can tell us that you have left a gift if you wish. We would love to know so we can thank you, but understand that this is entirely your decision.

If you choose to tell us, we can discuss how and where your gift will be used to make a difference for those we serve at Our Place Society. You can also share preferences regarding recognition.
