Step Up Challenge - 8,671,345 steps / 5800 kilometers completed in May as a team!
Goal: 3,000,000 steps (2100 kms).

Respectful Workplace Champions

- Emmie - She is a consistent bright light in what can sometimes be a heavy work environment, and she is full of resources for staff/resident wellness initiatives. She continuously finds fun ways to boost team morale and in general, carries a positive attitude!
- Amy - Amy shows up to work every day with a positive attitude and is always available to help her team members. Amy makes the workplace fun and is such an important member of our team!
- Don & Michele - They are both an absolute pleasure to work with - they're always helpful, supportive and friendly.
- Riya - She is always very positive, great at communicating with her team and is there for her team members.
