Respectful Workplace Champions

- Emmie She is a consistent bright light in what can sometimes be a heavy work environment, and she is full of resources for staff/resident wellness initiatives. She continuously finds fun ways to boost team morale and in general, carries a positive attitude!
- Amy Amy shows up to work every day with a positive attitude and is always available to help her team members. Amy makes the
 workplace fun and is such an important member of our team!
- Don & Michele They are both an absolute pleasure to work with they're always helpful, supportive and friendly.
- Riga She is always very positive, great at communicating with her team and is there for her team members.
